| 4. Overall, the content and organization of this course contributed to your understanding of this subject.  | N - Neutral |
| 5. Overall, the instructor's delivery and efforts contributed to your understanding of the course material. | N - Neutral |
| 6. The instructor was helpful to me outside of class or online learning environment.                        | Yes         |

Comments: He replied to emails fairly quickly

7. What were some positive aspects of the course that supported learning? None
8. What aspects and/or content of the course could be improved to better support learning? The textbook is outdated and very repetitive, I could've learned the whole textbook in the first three weeks because the first couple of chapters cover everything else that you learn later on

Comments: For an online class I was impressed with the amount I learned. I usually avoid online classes because I don't think they are worth the money. This class was.

7. What were some positive aspects of the course that supported learning? The textbook was a great tool for learning this material

8. What aspects and/or content of the course could be improved to better support learning? More interaction with the other students in the class would have been nice.
